TENNESSEE BULLETIN NO. 190-03-1

SUBJECT: ECS - BIOLOGY TECHNICAL NOTES

Purpose. To inform the field about ten biology technical notes received from the Wildlife Habitat Management Institute.

Expiration Date. September 30, 2004.

Ten new Wildlife Habitat Management Institute (WHMI) biology technical notes have been received at the state office. They are as follows:

Leaflet Number 5 - Bats
Leaflet Number 7 - Long-billed Curlew
Leaflet Number 8 - Grassland Birds
Leaflet Number 9 - Northern Bobwhite
Leaflet Number 10 - Ring-necked Pheasant
Leaflet Number 12 - Wild Turkey
Leaflet Number 13 - Rainbow Trout
Leaflet Number 14 - Ruby-throated Hummingbird
Leaflet Number 15 - Butterflies
Leaflet Number 17 - Shorebirds

A very limited number of each technical note was received and will be distributed to area offices. The National Technical Note transmittal instructs that each field office is to file a copy of these technical notes either in (1) the Technical Note Binder or (2) the National Fish and Wildlife Resources Manual, Section 514. Additional copies can be downloaded from the WHMI web site at <http://www.ms.nrcs.usda.gov/whmi/technotes.htm>. Area Conservationists may distribute the technical notes provided or have field offices download copies and hold the small supply that WHMI provided.
